BODY MASSAGE

Duration: 60 minutes

SIENNA INDULGENCE

Our signature massage uses the fairly new form of touch therapy with healing results, it relaxes the tensed muscles removing the Knots and balances the body's flow of energy along its meridians removing the blockages thru a combination of many therapeutic massage techniques including, Thai, Reflexology, deep fascia, connective tissue massage and Swedish massage using specially blended pure essential oils to help soothe tired muscles and restoring harmony.

BALANCE MASSAGE

A relaxing massage using aromatic oil that penetrates into the skin restoring its natural balance. This soothing massage uses a combination of acupressure techniques and gentle strokes allowing the healing properties of natural oils to enter into the deep layers of the skin. It induces a sense of well-being that lasts long after the massage.

AROMATHERAPY MASSAGE

Aromatherapy massage is a combination of a firm therapeutic touch blended with the beneficial properties of essential oils. This form of massage is a wonderful way to unwind, alleviate stress and tension, invigorate the body, soothe emotions and clear the mind.

SPORT MASSAGE

The technique often involves a blend of traditional Swedish massage and Shiatsu specifically designs to treat professional athletes. The massage will help prepare the athlete for peak performance, to drain away fatigue, reduce muscle tension, promote flexibility and prevent injuries.

TRADITIONAL STYLE

Duration: 60 minutes

THAI HERBAL COMPRESS

Renowned for healing muscle tension for knights in Siam during ancient times; today the herbal compress is widely used to relieve muscle pain and increase blood circulation for a blissful relaxing state of body and mind. With Thai herbs, it helps anti-bacteria and relaxing muscle tension while camphor gives you a soothing scent for clearing your stress and mind. The spice of turmeric shall minimize itching and cleanses the skin while tamarind helps accelerate the absorption of herbal ingredient into the skin.

FOOT REFLEXOLOGY

Reflexology is also part of a Thai massage session. Reflexology uses the ancient Oriental form of pressure treatment that uses the application of focused pressure on known "reflex" points that are found in the foot. The various points correspond to areas on and within the body. The foot reflexology massage will increase circulation as well as give quick relaxation.

INDIAN HEAD MASSAGE

This ancient therapy was used by traditional Indian women to feel a form of healing while enjoying a gentle massage into the scalp by using warm Ayurveda hair oils to work on a deep level to benefit the hair and to improve the circular healing system.

AYUR-LOMI

Individual whole-body treatment for absolute well-being with sensitive hands massage the head and kneading the body. Ayur-Lomi is like experiencing the better of two worlds. A fascinating treatment combining the principles of Ayurveda with Hawaiian Lomi Lomi massage. We use warm pure organic sesame oil. After treatment, you will feel like a new person-profoundly relaxed with new strength, energy and balanced, radiant skin.
