Balance Spa welcomes you to a journey of mind, body and spirit. Rediscover yourself in the beautiful Spa chambers overlooking the blue ocean and surrounded by delicate fragrances. Our specially designed treatments blend ancient physical and spiritual healing concepts using natural local ingredients and experienced hands which will leave you deeply relaxed, nourished and rejuvenated.

BODY MASSAGE

Duration 60 / 90 minutes

SIENNA INDULGENCE MASSAGE

Our signature massage uses the fairly new form of touch therapy with healing results, it relaxes the tensed muscles removing the Knots and balances the body's flow of energy along its meridians removing the blockages thru a combination of many therapeutic massage techniques including, Thai, Reflexology, deep fascia , connective tissue massage and Swedish massage using specially blended pure essential oils to help soothe tired muscles and restoring harmony.

STRESS RELIEF MASSAGE

A therapeutic technique that uses gentle manipulation to reduce muscle tension and promote relaxation. Common methods include Swedish massage for general relaxation, deep tissue massage for chronic tension. These massages stimulates the body's relaxation response, leading to a decrease in heart rate and blood pressure.

BODY MASSAGE

Duration 60 / 90 minutes

SPORT MASSAGE

The technique often involves a blend of traditional Swedish massage and Shiatsu specifically designs to treat professional athletes. The massage will help prepare the athlete for peak performance, to drain away fatigue, reduce muscle tension, promote flexibility and prevent injuries.

BALANCE MASSAGE

A relaxing massage using aromatic oil that penetrates into the skin restoring its natural balance. This soothing massage uses a combination of acupressure techniques and gentle strokes allowing the healing properties of natural oils to enter into the deep layers of the skin. It induces a sense of well-being that lasts long after the massage.

PRENATAL MASSAGE

Pregnancy massage is a therapeutic massage tailored for expectant mothers that can help relieve common discomforts like back pain, headaches, and swelling. It uses gentle techniques and specific positioning, such as lying on the side with pillows for support, to promote relaxation and improve circulation. This massage is offered to customers between 16 - 34 weeks pregnant.

TRADITIONAL STYLE

Duration 60/90 minutes

TRADITIONAL THAI MASSAGE

An ancient Thai healing art that rejuvenates both body and spirit. Its specialized techniques will help promote the balance of all the body's systems and channels the energy in the right direction. If you are looking for a more holistic approach to bodyworks, Thai massage is a good choice

SIAMESE HERBAL HEALING

Renowned for healing muscle tension for knights in Siam during ancient times; Today the herbal compress is widely used to relieve muscle pain and increase blood circulation for a blissful relaxing state of body and mind. With Thai herbs, it helps anti-bacteria and relaxing muscle tension while camphor gives you a soothing scent for clearing your stress and mind. The spice of turmeric shall minimize itching and cleanses the skin while tamarind helps accelerate the absorption of herbal ingredient into the skin.

TRADITIONAL STYLE

Duration 45 minutes

FOOT REFLEXOLOGY

Reflexology is also part of a Thai massage session. Reflexology uses the ancient Oriental form of pressure treatment that uses the application of focused pressure on known "reflex" points that are found in the foot. The various points correspond to areas on and within the body. The foot reflexology massage will increase circulation as well as give quick relaxation.

INDIAN HEAD MASSAGE

This ancient therapy was used by traditional Indian women to feel a form of healing while enjoying a gentle massage into the scalp by using warm Ayurveda hair oils to work on a deep level to benefit the hair and to improve the circular healing system.

QUESTIONS & ANSWERS

When should I arrive for my treatments ?

Please arrive 15 minutes before your scheduled time, in order to complete your consultation form and take time to relax in our relaxation area before your treatment.

Is there a limit to the number of Spa treatment I could have in a day?

You can have as many as you like.

What if I have special health considerations?

Please notify our Spa Receptionists before booking your treatments if you have high blood pressure, allergies, physical ailments, disabilities, or if you are pregnant.

What do I wear during my treatment?

You may wish to wear your own underwear or we can provide you hygienic disposable briefs. Alternatively, treatment may be enjoyed with our clothes. Choose what is the most comfortable for you. Our therapists will always use draping techniques to respect your privacy.

Valuables?

We recommend that no jewellery be worn at the spa. The management and staff accept no responsibility for any loss of money or valuables brought onto the spa premises.

What should I do after massage or other treatment?

We recommend that you do not sunbathe after any body massage or any body treatment included facial treatment. Drinking plenty of water. The water helps your body flush out any accumulated fluids and tissue waste products that may have released during your massage. Avoid dehydrating drinks such as coffee or anything alcoholic.

Cancellation Policy?

A 24-Hour cancellation notice is required to help us re-schedule your appointment. And any cancellation with less than 4 hours notice will incur a 50% cancellation fee. A full fee will be imposed for a "No Show".
