SPECIAL COCKTAIL CREATION

GIN : spirit of the universe. Succumb to the allure of gin's irresistible charm. Savour the zest and the verve of an ice cold gin beneath the tropical sun.
Gin's colourful 700-year-old history started with the traditional Dutch drink, genever, which soldiers drank to calm nerves before battle, giving rise to the term "Dutch courage." The English added herbs, spices and, later, juniper berries to create gin. Gin has sustained soldiers in battle, became the drink of choice for kings and queens, been substituted by the English poor for tainted water, been used in medicine and made many people around the world and Phuket very happy.
Look up for our full menu...not 10 and not 50. But over 100 gins. You name it baby! We should have it.
